## *F. H. A.*

The organization of the Future Homemakers of America has a membership of sixty-three girls. The motto of F. H. A. "Toward New Horizons," expresses the purpose of the organization—learning to live better today in order that our lives and those of our families may be better tomorrow. Its official colors are red and white with the red rose as its flower.

The local projects for the year were financed by the money raised from selling at school activities and by dues. The projects this year were sending a Christmas basket to a needy family of five and making Valentine favors for the hospital. The organization voted to give its share of the school carnival proceeds to the high school library. Also a generous donation was made to the local March of Dimes drive.

At the Kid Party in September all the girls who were interested in joining F. H. A. were entertained. In November a joint-installation and initiation with the F. H. A. was held. In January a boy-girl party was featured. The annual parent-daughter dinner was one of the highlights in the spring. The senior members were entertained at a luncheon in May and the eighth graders were given a tea.

The officers attended the Sub-District meeting at Jet and thirty members went to the State Rally at Oklahoma City in March.
